NEWSLETTER EDITOR/PUBLICATIONS CHAIR

The newsletter editor will be leaving the position at the end of the year and a new editor will be needed in 2019. Please consider volunteering for this position. The newsletter is our best method of communicating to the society as a whole for events, meetings, and other goings-on. Duties include writing the newsletter and coordinating submissions, and sending an electronic copy to the webmaster for distribution to the email list.

As of this December no one has volunteered to take over the newsletter, therefore it will be published for 2019 in January and possibly April and September. No paper copies will be sent out. **IT WILL ONLY BE AVAILABLE BY EMAIL.** If you are receiving a paper copy of the newsletter, please make arrangements with webmaster, Lyle Laylin, to have your email address added to his list, or with a society friend who can advise you of all email updates and notices. Announcements for meetings and the minutes will be send out by email.

VACANCIES ON THE BOARD

If you have not paid, please remember you will no longer have privileges for field trips. **YOU MUST BE A SOCIETY MEMBER TO GO WITH THE SOCIETY.** Please keep in mind that December 31 of each year is the actual date your dues should be paid to the society so the board can plan accordingly for publishing an annual directory and insurance for each member for field trips. **DO IT TODAY BEFORE YOU FORGET!!!!**

Treasurer: Elaine Beane - The state of Michigan requires a street address for non-profits. There was a discussion on non-profit and a “charitable” non-profit status, apparently the time and effort to complete the forms for the latter would be somewhat extensive. A Certificate of Deposit matured and was reinvested. Bills are expected from the schools for buses, Ingham County Fairgrounds, and the Masonic Center.

Liaison Officer: Vacant position.

Past President: Elaine Angstman was absent, no report.

Membership: Dave Berquist - Regretted not attending the Show to receive applications. Discussion ensued about new membership and Sue mentioned that we could all be responsible for taking membership applications from new persons to relieve persons in duel roles from sole responsibility; and that the membership application process is a completed form and payment of dues, which is then presented to the board for approval.

53rd SHOW WRAP UP

November 12, 2018

Attendance: Sue Casler, Nate Krupp, Elaine Beane, Steve Smith, Roni Sionakides, Lee Laylin, Roger Laylin, Lyle Laylin, Ernie Aughenbaugh, Dave Masarik, Jan Sjoquist, Doug Sjoquist and Sally Hedin.

The 13 members present resulted in a good deal of good discussions about show activities and other Club desires. Final tally of Club income from our efforts will only come after all bills are paid. Outstanding are the payments for subsistence to the demonstrators and for the School buses. Currently, by my calculations, we show an income of \$5,540.64. My summary is available if you desire.

It was determined that a new supplier of tables and chairs be obtained. Contact was made with American Rentals, and with Art Craft Display; their charge for the desired numbers were nearly the same. As one of our members is an employee I decided to use Art Craft Display for our order of 220 eight-foot, 2 six-foot tables and 170 chairs. Approximate cost \$2,000.00.

A lengthy discussion was held about Show flyers. Jet Speed in St. Johns can reproduce Elaine's art work and if Sally's contact at Jackson Career Center will make ones similar to last time we will order them as follows: Elaine Art - 3,000, Regular - 1,000 and Jackson - 500 1/2 sheets and 1,000 1/4 sheets. Orders will be placed in February or as soon as dealers are confirmed.

We were pleased at the response to the Children's Activity tables and the positive comments from the parents. Geode cracking had its best year, and more geodes will be necessary for next time. The Silent Auction repeated as a popular attraction. Some patrons attend the show for this activity alone.

The budget will be returned to the usual amount for this and the Spinning Wheel.

Ernie advised that he anticipates no difficulties in the signing of dealers and recruitment of demonstrators. I called Red Metal and was told they expect to come next year. It was noted that other shows provide water bottles to dealers. We could distribute a large bottle to each dealer and assistants for their refill at our water station. We provided 15 gallons of water at the show, probably more next time as it took a while for folks to learn it was available.

Among purchases for the next show is the need to consolidate the anticipated need of paper/plastic bags so someone doesn't have to run to the store mid-show. A new purchase of several (4) lighted magnifier lamps to use on display tables is desired as it was noted the use of the one that Theresa brought.

It was demanded that the trailer be available earlier in the year to facilitate the sorting and disposition of unsold chalcedony and its reloading with new material. Timing of this and the making of new mineral kits versus vacations may prove to be a puzzle.

Most of our active members were observed actively working at the show at some period. As I have noted years ago there are over 80 chances to work 2 hours at one work station. Don't think that working only one 2-hour stint is enough. Some of us are at the Show for all hours plus set up and take down. **ESPECIALLY NEEDED** are volunteer friends for Kids Morning on Friday morning. If Lee no longer supervises the mineral kit and jewelry tables her 12 to 15 friends may not be available. Recruit yourself! If you think of other areas to address please make it known.

Roger Laylin, Chairman By Default
