we can have a nice assortment.

ry 10, you can call me your banquet

Sally Barber

THE ANNUAL BANQUET January 15 was enjoyed by 255 people, including twenty seven guests from out-of town clubs. Following a meal which upheld the club tradition of good food, a drawing for door prizes was held. Outgoing president Oscar Puryear reviewed the club events of 1969, and introduced the incoming president, Carlisle Barber, who presented the 1970 officers and committee chairmen. The program of the evening, "Field Trip to the Moon," given by Mr. Von Del Chamberlain of the Abrams Planetarium at MSU, was timely and informative.

Banquet Chairman Sally Barber wishes to thank all the people who cooperated to make the banquet a happy affair. She notes that the telephone committee was responsible for bringing out such a good crowd. The hosts of each table contributed the displays of state rocks that featured the decorating scheme.

The thanks of all club members go to Sally and her committee, Marian Henderson and Lola Pearson, for the time and effort they gave for our pleasure.

Ray Walker

Howard and Margaret Randolph had another "open house" for their rocks the afternoon of January 14. Visitors were members of the "50 Plus Club" which meets at the Trinity United Methodist Church near the Randolph's.
